

Howdy folks!

We love our listeners, so we decided to give you a token of our appreciation! Our patrons had this for pre-release weekend, and everyone else gets it before their boxes arrive for the first pack cracking and drafting! Please share them with your friends!

Kelle made this art for all your Eldrazi Horror needs, inspired, of course, by Hanweir, the Writhing Township. Please tweet or post us photos of them in action, especially if you also manage to meld the Township together!

Thanks,

Phil, Nate & Sean
